

**A CROWD** of art enthusiasts got an unusual treat two days ago in Dar es Salaam when an American artist Ndugu Joseph Holston Jr. painted a portrait of a student of Azania Secondary School Ndugu Plato Rimarikira (17) (extreme left), outside the National Museum.

Ndugu Holston, who arrived in Dar es Salaam two months ago, has held several similar demonstrations elsewhere in the city.

He painted Ndugu Rimarikira's portrait in 45 minutes.
