September 26, 1973

*Stonewall, Texas*

Dear Mr. Holston:

As you know, Marvin Watson very kindly presented me with one of your paintings on August twenty-seventh. I cannot remember being so moved as I was by all your canvas expressed.

The Johnson Library and my heart were enriched by your portrayal. I cannot help but feel "~~G~~etto Boy" will be a source of inspiration to work harder for a better world.

With all good wishes to you,

*Lady Bird Johnson*
